Y.O.U.R.S Youth Outreach Under 18 Responsive Services

Y.O.U.R.S. is a rapid response support service accessible throughout Northumberland County. Our Youth Support Worker meets with eligible youth and assists in determining goals and priorities, including addressing service options.

Y.O.U.R.S. targets unattached youth, male or female ages 12-18 who are at risk of dropping out of school, have mental health issues, anger management, substance abuse or in conflict with the law.

Immediate linkages are made to appropriate services and supports, with the YSW providing bridging support on a weekly basis until other services are accessed.
